

Budgie *and the* Smugglers

Introduction to our Music

We specialise in an energetic and eclectic mix of Indie and Alternative Rock songs combined with Dance, Funk and Soul to bring your event to life, Budgies-style. We make a particular effort to play songs that you will recognise but may not have heard from other bands.

Below is a taste of the style of music we play:

From our Indie and Alternative selection:

Alright (Supergrass)

Bohemian Like You (Dandy Warhols)

Breakfast at Tiffany's (Deep Blue Something)

Brimful of Asha (Cornershop / Norman Cook)

Echo Beach (Martha and the Muffins)

Oh my God (Kaiser Chiefs)

Step On (Happy Mondays)

You're all I have (Snow Patrol)

..plus others from **Feeder**, **Semisonic**, **Simple Minds**, **the Raconteurs** and **the Jam**.

From our Funk, Soul and Dance selection:

I feel Good (James Brown)

I like the way you move (Bodyrockers)

Low Rider (War)

Play that Funky Music (Wild Cherry)

Praise You (Fatboy Slim)

Tainted Love (Gloria Jones / Soft)

We also have additional songs from **Stevie Wonder**, **the Blues Brothers**, and **Bill Withers** to add here.

We do our versions of more well-known pop songs from bands like **Oasis**, **the Beatles** and the **Proclaimers**, including:

I'm a believer

(Vic Reeves + Bob Mortimer with EMF)

I'm Gonna Be (500 Miles)

(The Proclaimers)

Let Me Entertain You

(Robbie Williams)

Wonderwall, *Champagne Supernova*

Roll With It (Oasis)

To complete the set for a particular event we then add in a selection of Blues and Classic Rock songs from artists such as **Lynyrd Skynyrd**, **Chuck Berry**, **Gary Moore**, **Kasabian** and **the Stereophonics**

We can supply you with a full song-list and with enough notice we are also prepared to learn specific songs that we do not already have in the list. Please get in touch to discuss.
